Regular Activities at Millennium Village Hall

Local Groups use the Hall every week for activities, as follows:-

Mondays:

Art & Craft Group (afternoons 2nd & 4th)

An opportunity to ply for art or craft whether painting, knitting, cross-stitch, weaving, crocheting, etc., and to learn a new skill. Tutorials and workshops held.

Tuesdays:

Pilates (morning); Pilates (afternoon)

A great way to exercise with benefits said to help to improve muscle endurance and flexibility, reduce chronic pain and lessen anxiety and depression.

Hatha Yoga & Mobility (evening) **NEW!**

Recommended for anyone needing help to improve the range of motion in their joints.

Wednesdays:

Hulland Hippos Baby & Toddler Group (morning)

See page 17 for more details.

Indoor Bowls (afternoon)

A lovely way to spend an afternoon on the 'greens' - especially when it is wet outside! A game for all ages and all abilities.

Thursdays:

Age UK/Over 50s Club (all day)

Weekly occasion to socialise with activities and outings. Refreshments and Lunch included. Access to the multitude of services offered by AgeUK. Worth your while checking out if aged over 50!

Fridays:

Yoga (morning)

Whether young or old, overweight or fit, yoga has the power to calm the mind and strengthen the body. A gentle way to end the week and ease into the weekend.

New members are welcome at all the above. If interested, please go along to any session to find out more.

A warm welcome is guaranteed.

Details of times are on Page 10.

Films at the MVH.

At the time of going to press, Hulland Films is unable to confirm a film this year here in the Herald.

As soon as a film has been confirmed it will be advertised so look out for posters at the General Stores and Village Hall.

As stated before, The Miracle Club starring Maggie Smith and Kathy Bates is a contender but we hope to bring The Great Escapee starring Michael Caine and Glenda Jackson in what has proved to be their last film.

"Hatha Yoga & Mobility".

A new Yoga class is coming to the Millennium Village Hall November 2023.

Warm up on a cold evening with Danielle's "Hatha Yoga & Mobility".

Running every Tuesday from 7th November between 6.30 and 7.30pm, for more information call Danielle on 07508 342297 or just turn up to join in.

BROCÁNTE

Table-Top Sale with Pizzaz!!

Antiques, Heritage Dolls, Collectors' Items, Decorative Items, Vintage Clothing and more...

Come along and see what the local Ladies, including Notty Hornblower of the Hope House Costume Museum fame, have to offer.

Just in time for Christmas!

Message from the Interim Chairman

One of the new Members of the Hall's Advisory Committee, Raymond, has already made a valuable contribution by his work outside in the car park (see below).

The former Hulland Ward Institute sign remains a poignant reminder of that building which was opened in 1900 as a Working Men's Club. For some it will bring back memories of events and activities held.

At the new Millennium Village Hall, we continue to build a good-sized Committee to carry on the good work of those before but, as then, we do need a few more members.

So, if like Raymond, you are fairly new to the area but want to get involved, or you have lived here for some time and are thinking of volunteering locally, why not get in touch to find out more...

Bill Whitbread, Interim Chairman

Hulland Ward Institute, Main Rd.

Stood from 1900 to 2000.

But where was it located??

Maintenance Up-Date

The external areas of the Millennium Village Hall have been looking a little refreshed lately.

Thanks, again, to the green-fingered ladies of the Women's Institute whose sterling work to maintain the flower planters provides an attractive approach to the Hall for visitors and all alike.

We were waiting for the car park extension to have the parking bay markings redone as they were beginning to disappear. However, as it will be a while before the extension happens, we decided to wait no longer. Thanks to Committee Member Raymond for his painstaking handiwork to restore the parking bays.

Raymond didn't stop there—the bollards shine white again to denote the 'patio' area next to the Hall's entrance.

Many of you who have visited the Hall will be aware of the memorial sign resting on the grassed area on the south side of the car park. This was saved when the former Hulland Ward Institute was demolished over twenty years ago, and moved to its present location.

The Institute was opened in 1900 and now the date and name can be clearly seen once again—thanks to Raymond.

Rector's Ramblings: Ploughing Ahead

At the time of writing I have just returned from my favourite event of the year (apart from Easter and Christmas!) – The Brailsford Ploughing Match. For many it is the highlight of the agricultural year; an opportunity to meet up with friends, colleagues and suppliers who are all linked with farming.

This is one of those rare events where you can get up close and personal to the action – in this case the ploughing. I find it really interesting to watch these experienced farmers attempting to plough the neatest, straightest furrows possible and seeing the stubble-coated field transformed into a landscape ready for planting.

By the time you read this, many will be beginning to make preparations for Christmas. While ploughing doesn't get a mention in the Christmas story (only

shepherds do), a newly ploughed furrow can help us to understand what it is all about. Yes, really!

When Jesus was born, (Jesus = God incarnate, God in human form) it was as though God were ploughing a furrow through the way the world viewed Him, turning old ways of thinking over and burying them, making way for new ways of understanding and living to be planted in the lives of those who were receptive to His message.

Through Jesus being born and through His death and resurrection, we have had revealed to us the amazing love of God. When we turn to Him, He plants within seeds of hope, love and forgiveness. May the coming season be a time when we allow God to plant something new in us.

Eco Church: Update

Biodiversity in the Churchyard Conservation Area in 2023. Our wildlife and creatures count so far:

Flowers – 36 species, including Quaker Grass for the first time.

Birds – 18 species

Butterflies - 10 species

including Wall Brown

(pictured), an endangered species, previously restricted to the Peak District.

Other- squirrel, rabbit, frog (pictured), plus tracks

and signs of mice, voles (pictured).

Hulland Churchyard Champions

Thank you to the volunteers from the community and the Church who have been helping with seasonal tasks in the Churchyard on the 2nd Saturday morning of each month. Our last Churchyard Saturday for this year will be on 11th November (10am – 12noon).

We will not meet in December and January.

Messy Church: Update

Our Christmas Messy Church will be on Saturday, 9th December in the Hulland Ward & District Millennium Village Hall from 3.30 to 5.30pm.

New families welcome. Look out for publicity posters giving more information.

Harvest Thanksgiving

Harvest began with the School Harvest Service on Thursday, 5th October. The Church was beautifully decorated by the School and Church members and there was a very good attendance of children and adults.

Our Harvest Thanksgiving Service on Sunday, 8th October was well attended and most enjoyable as was the Hulland Hippos Service on Wednesday 11th. The Harvest gifts from the services went to the Ashbourne Food Bank.

Our Harvest Supper on Saturday, 7th October, with excellent entertainment by Take 2, was another enjoyable social event and £533 was raised for Church funds.

Many thanks to all who organised, participated in, and attended these events.

Village Horticultural and Craft Show

The Hulland Ward & District Annual Village Show once again provided opportunities for people to show off their skills and talents with a brilliant display of cakes, bakes, flowers vegetables, photographs and crafty creations.

Despite having very mixed weather this summer the flowers, plant and vegetables section was well supported with some beautiful blooms and great vegetables.

The judges had their work cut out with tasting a record number of entries in the domestic section and the handicrafts demonstrated a wealth of skills.

The Show Team who planned and organised it would like to say a big THANK YOU to everyone who took part or came along to support the show.

The winners on the day included; JP Goddard, Eric Massey, Michael Heaton, Geoff Waller and Michael Pipes; with Eric being the overall Adult Show Champion.

Children's work provided an excellent display; Rexton, Cordelia and Eleanor were all prize-winners. Our thanks go to Hulland School and Pre-School for all their support.

Donations from Sponsors were extremely generous so our special thanks go to;

Allsop Electrical – Dog Lane, Hulland.

Wayne Buttery - X2 Wealth Management Ltd., Ashbourne.

Howard Cooper- Hulland Old Hall.

David Donnelly - Preserva Ltd.

John Fell - Opticians, Ashbourne.

Hulland Ward Parish Council.

Hulland Ward General Stores.

S J Knight Building and Roofing Contractor.

H Lee and Son - Undertakers, Ashbourne.

David and Pauline Rose - Hulland Hall.

Andrew Russell - Hulland Ward Garage.

Michael and Janey Thornton.

The High Sheriff of Derbyshire, Theresa Peltier, presented the prizes and was very complimentary about the excellent cakes and refreshments. If you visited the show we hope you were inspired to make, bake or create next year. If you missed itwatch out for next year's schedules and posters. *Katrina Pipes*

Hulland Ward Parish Council News

Village Hall Car Park Extension

Due to the delays in receiving the necessary S106 funding of £22,000 from the District Council, the original Planning Application 20/00765/FUL has now lapsed and a new application will be required before commencement of the Car Park extension..

Although the Parish Council have now received the funding package, construction cost uplifts plus the shortage of project managers, will put back the project commencement date to Spring/Summer 2024. Although a setback, the Parish Council still remain confident the Car Park Extension will be in place by the end of 2024.

Parish Council

Speed Cameras - Hand Held and MVAS

Teams have commenced speed checking after the Summer break with Cllr David Balls now organising the camera teams of 10 trained volunteers.

MVAS (Mobile Activated Vehicle Signs) results will continue to be shown on both the Notice Board and Facebook each month.

The Parish Council will continue to work with County and other organisations towards introducing an Average Speed Camera system, shared amongst local villages that has been shown to resolve speeding problems 'overnight'!

Cllr Karl Dean

HW Playing Field

The transfer of the Playing Field from the District Council to the Parish Council is now 99% complete.

At a recent meeting the Parish Council requested the District Council to complete the final documents without delay.

Cllr Peter Birkbeck

Snow Warden

With all salt/grit dispensers in place - the Parish Council is seeking a new Snow Warden for this year to fill the dispensers when required.

Would anyone interested in doing this please contact the Parish Clerk or any Councillor in the next few weeks - so we will 'be well prepared'.

Parish Council

Defibrillator Training

Another session of defibrillator training took place in early September at the Millennium Village Hall.

The next session is planned for late Spring and may be held in the forecourt of the General Stores adjacent to the actual defibrillator location.

Cllr Maureen Atkin

Village Christmas Tree

The Village Christmas Tree was again well received last year and Councillors hope to find a similar tree for this year.

In addition to the 'big' Village Tree the Parish Council has approved the solar-powered Christmas trees, to be fitted again to a number of lamp-posts along the Main Road.

Hedge-Cutting Co-operative

With 2 cuts completed in the 'Hulland Ward Hedge Cutting Co-operative' the unusually warm and wet conditions may mean one more cut being required before Winter. The Co-operative now stretches from upper Dog Lane to the Butterfly Conservation area of the Slangs.

Hulland School Report

New School Year Report

We have had a super start to our new School Year and hope that our New Starters enjoy their time at Hulland Church of England Primary School. Our OFSTED Inspection report in June 2023, reaffirmed that the School continues to be a GOOD school and our arrangements for safeguarding are effective.

“This is a vibrant School. The learning environment is impressive. Great attention is given to helping pupils secure core knowledge and skills in reading, writing and mathematics.

Wider opportunities give pupils new experiences and, in the words of the School motto, ‘prepare them for life in full.’”

Wrap around care available from 7:30am to 5:00pm.

Our SATs results at the end of Key Stage 2 were also good with 80% of pupils achieving the expected standard in Reading, Writing and Maths combined.

Our ‘delightful outdoor space is widely appreciated and used well to support pupils’ learning,’ Church School Inspection October 2022.

We are situated in a secure, safe location away from the main road enabling everyone to enjoy the benefits of the fresh air. Spaces are still available in some year groups so should you wish to arrange a visit, please call 01335 370243. Everyday is an Open Day!

Application No. 23/00435/FUL. Erection of 16 Dwellings including Garages. Decision awaited.

Severn Trent are currently working to fix a general water supply issue near Kirk Ireton caused by works on a neighbouring property.

According to Severn Trent, their repair work will start by 30/10/2023. Their team will be working hard to make sure it's fixed as soon as possible and ensure the several affected properties, including some in Biggin, will have water supplies restored.

Derbyshire County Council has been contacted with regard to the damage construction traffic is causing to our lanes which was highlighted during the recent Storm Babet rainfall.

Hulland Parish News

The Village Parish Meetings, individual residents and now myself have been demanding action on Hulland Hill for at least 40 years resulting in no changes whatsoever, despite multiple accidents, some resulting in hospitalisation, thousands of near misses, and a child being hit walking across the road from the Bus Stop.

Some time ago I arranged for our Elected Councillor for Derbyshire County Council (DCC) and Derbyshire Dales District Council, Dermot Murphy, to make a site visit so that he can experience the horrendous safety issues for himself, telling him what needed to be done to make the area safe.

Dermot has a unique style in that he doesn't tell the DCC Highways Department what needs to be done, but instead persuades a Senior Engineer to make a site visit. After the Engineer has experienced the problems, he asks them "What can be done to solve the problems?"

A site meeting was set up some 3 months ago between Dermot, a Senior Engineer from Derbyshire County Council's Highways Department and myself. The Engineer was absolutely amazed at the seriousness of the safety concerns on the hill which resulted in his Department proposing the following actions:

1) When approaching from Ashbourne, at the bottom of the hill, installation of a large sign saying "Reduce Speed Now", with a large **SLOW** painted

on the road soon after.

2) Again, from Ashbourne, where the current Hulland Village sign is positioned, there is to be an additional Advance Junction Warning Sign.

3) When approaching from Hulland Ward, opposite the Old Vicarage, a new Large Double Bend Sign plus a large "**Reduce Speed Sign**".

4) Then, again, from Hulland Ward where the currently damaged Hulland Village Sign is positioned. A large Advanced Junction warning sign. Plus, a new Hulland Village sign.

Some 2 months ago Hulland Village accepted the above recommendations with one or two minor suggested changes to improve the safety situation further.

So we now await the next move from the Highways Department as to when they will be starting to implement the changes.

When that will happen, of course, is anyone's guess, but when it does happen we will have to give Dermot Murphy a big "THANK YOU!!"

Local Groups' Reports

Hulland Ward Gardening Club

After listening to Danny Wells' talk in September about "The History of Gardening - an English Obsession", members welcomed Heather Taylor from Hudson's Plant Centre in October to talk about "The History of Roses and their place in a modern garden". We look forward to an evening of fun and frivolity when Elaine and Julie, the Potty Plotters, make a return visit in November.

There is no meeting in December but we shall be toasting the New Year in January with our annual Buffet and Quiz night.

Dr Andrew Ward from Norwell Nurseries, a nationally renowned plantsman in the horticultural world, is booked for our February meeting when he will be talking about "Ringing the Changes with Bellflowers".

We meet at Hognaston Village Hall on the third Thursday of each month at 7.15pm. There is a charge of £5.00 at each visit to pay for the speaker, refreshments and the venue.

If you would like to join us, and new members are always welcome, then please contact Jean or Peter Gardner on 01335 372001.

The photograph (below) shows some of our members enjoying a visit to Felley Priory on one of the few sunny days in July.

INSPIRING WOMEN

Hulland & District Women's Institute

If you are new to the village, or you want fun and friendship why not give The Women's Institute a try? We meet in the Hulland Ward & District Millennium Village Hall on the 2nd Wednesday of the month at 7:30pm. I promise you will not be left to sit on your own.

We have a variety of speakers during the year, and now meet up for walks at Carsington Water, any level, always finishing with a good chat and coffee!

Several members took part in the Ashbourne Show with first prizes for cakes and floral arrangements. Well done!

15 members enjoyed a trip to Chester for the day. River cruises, shopping, walking and good company were the order of the day.

Our September meeting was a flower workshop arranged by Lilian, thank you. The subject was a floral arrangement in a tea cup and saucer, enjoyed by all and everyone feeling very proud of their arrangements. In October John Bown gave us a very interesting and informative talk on our local Air Ambulance.

Our Future Events include:-

8th November: Children's Rescue from Domestic

13th December: Christmas Meal Violence

Hulland Community Pre-School

Est. 1972

Pre-School returned from the Summer break with a record number of children and, we are pleased to say, they have all settled in and are developing well.

We have discussed Summer holidays with the children and we have had some amazing responses from them.

The children have drawn some beautiful pictures of their holidays which we have displayed on our walls.

Our theme for this term is Autumn and Harvest. The children have been excited to pick the apples from our Pre-School apple tree and enjoyed eating them for snack time.

As our Pre-School is a charity and it is governed by a committee we are always looking for new members. If you are interested and are happy to join our wonderful team and support our Pre-School, which was established in 1972, we will be grateful for your support.

Upon our return after the Autumn break will be looking forward to Christmas and all the festivities.

The Pre-School Team

The Pre-School operates Monday to Friday
8.30am- 3.00pm term time only.

If you would like any further information on Pre-school our contact details are: 01335 371939
email: hullandcommunitypreschool@gmail.com
